GEORGE WASHINGTON HIGH SCHOOL

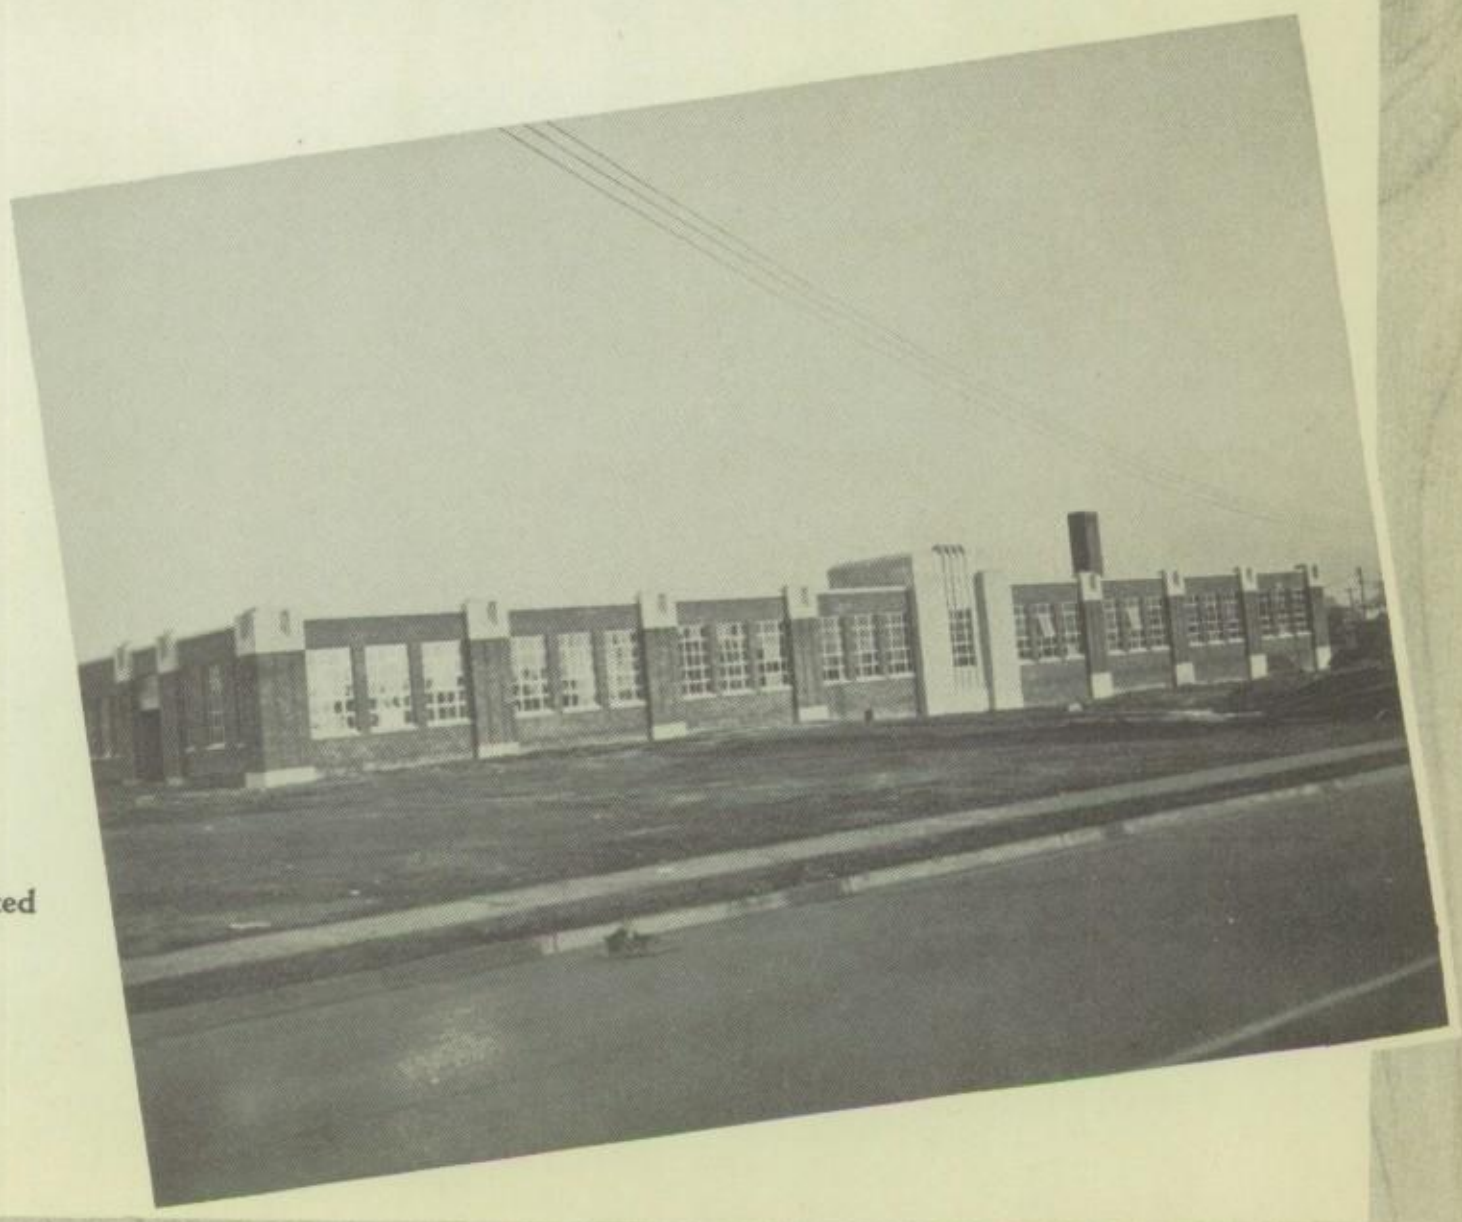
ALEXANDRIA, VIRGINIA



The recently completed shop building.

F O R E

In these days when there is little democracy in the world, we of America should realize our privileges here. The students of George Washington know that the citizens of our country must be stronger today than ever before. Our few short years at our high school have helped greatly in preparing us for the responsible

W O R D

positions we must soon hold. Some of the future printers, mechanics, and engineers of the United States will remember and be thankful for the shop classes at George Washington which gave them their first training. We hope that as the 1942 Compass is read, it will help to arouse the patriotism of all who read it.

DEDICATION

Because of her kindness and friendliness toward her pupils,

Because of her ready sense of humor,

Because of her democratic form of teaching,

And because she is always willing to advise us if we wish it,

This is the epoch in which another Douglas MacArthur or Colin Kelly may be born. They, as well as everyday men like Tom Jones and John Smith who play a large part in defending our country, come from just such classes as these. Mathematics, English, science, art, and shop work help them to prepare for the job they will be called on to do, upholding the flag and its tradition. The defense of our country has become so essential that George Washington classrooms are being held open at night to train workers for vital positions. Unquestionably, the contribution of G. W.'s classes to the United States is greater than ever before.

The beating of the drums and the cheers that are heard as the eleven fights for the "Ole Oaken Bucket" and the Alma Mater bring us to a different aspect of our school life. It is on the playing field the boys learn the fairness of play that makes them the citizens of tomorrow. The Cadets, drilling for the part they will play in defending our country, are helping to uphold the American principles of right and freedom. The foundations for successful personalities are laid in the meetings of the many clubs of all kinds which are carried on with the sympathetic help of their faculty sponsors.

We of George Washington can be justly proud that our school has a student government. The greatest achievement of a school is shown by the fact that the students can govern themselves.

Through the functions of the council, the student learns to solve his own problems, work for the well-being of all, and most important, fit himself for active service in the community.

This year the Compass Staff has completed another prosperous term. We realize that without the aid of our supervisors, Miss Woodward, Mrs. Thomson, Miss Maddox, and Mrs. Smith, we could not have been fully successful. The typists who have done their job so faithfully also deserve special mention.

The Staff has thoroughly enjoyed the hours of hard work they have contributed to give George Washington the best annual possible. In this respect we feel that our goal has been attained.

Orchestra

The zoom! zoom! of bass fiddles—the flashing of a score of violin bows in unison—the nasal wheeze of the oboe—all testify to a year of progress by the concert orchestra, a new unit in the music department this year. From a meager beginning with a handful of musicians in September, it has grown to nearly symphonic proportions, having performed in assemblies, at the operetta, at plays, and on a variety of programs.

The George Washington High School Bands

The George Washington Band opened its 1941-42 season under its new director, Mr. Swing S. Jackson. During the fall, the band gave many performances in assemblies, pep meetings, and football games. The much publicized corps of Sergeantettes, led by Majorette Janet Hoff added color and flash to the between-half formations at the games. After a successful presentation of the George Washington Follies as an assembly program, the band looked forward to the Music Festival at Richmond, determined to keep the Superior rating it now holds.

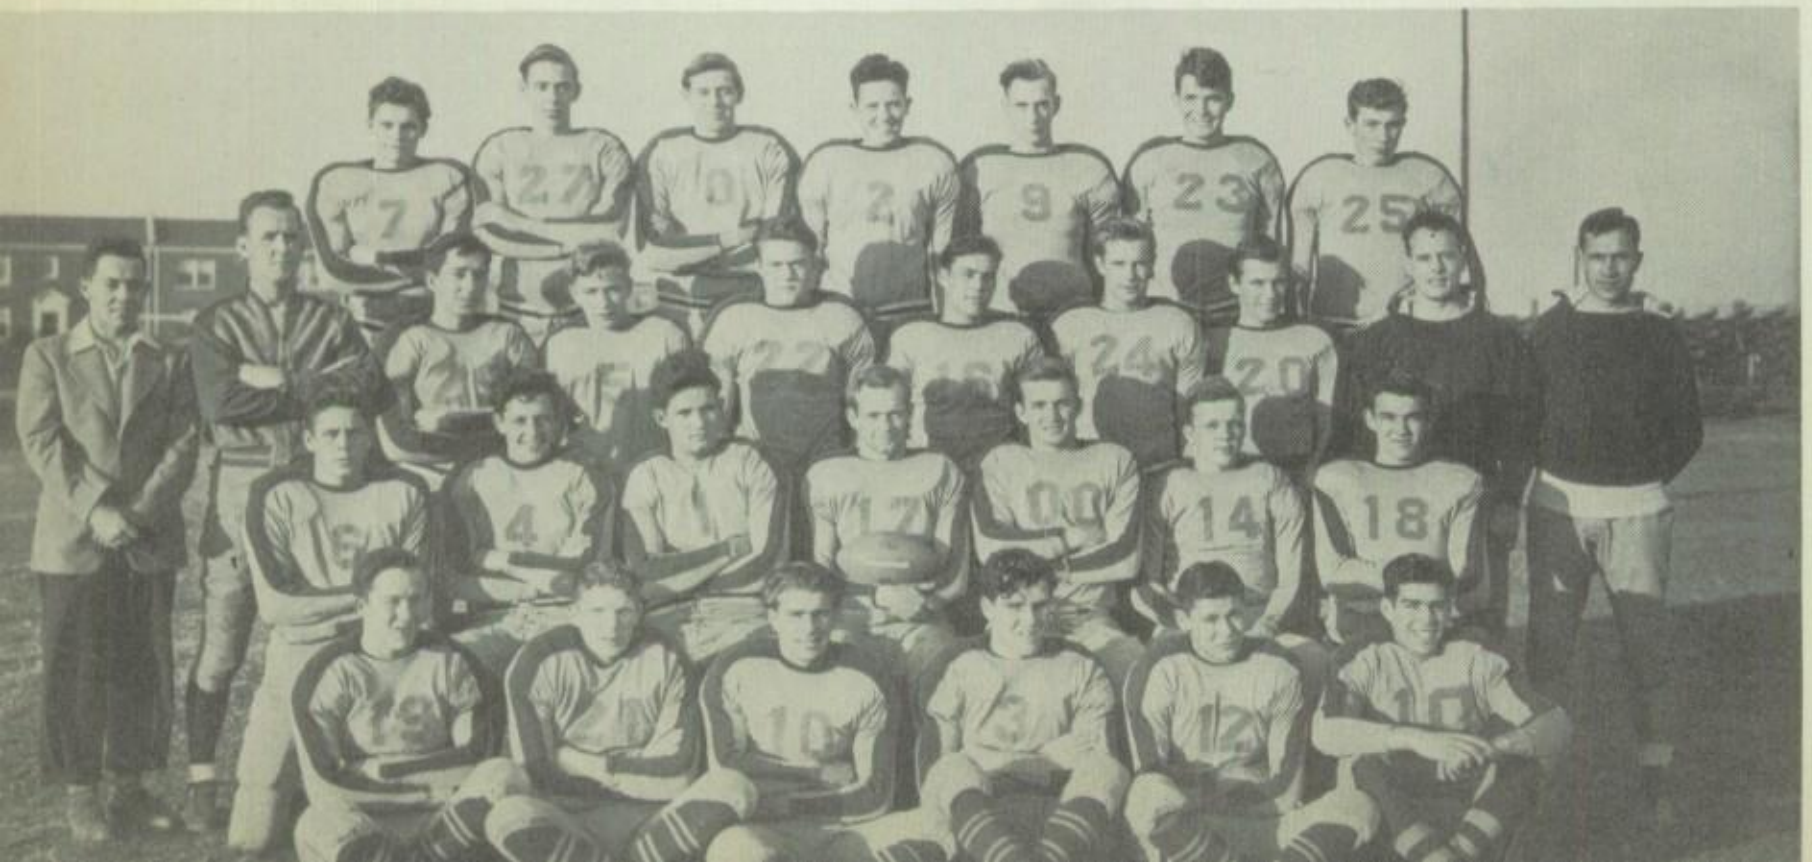
VARSITY SQUAD

Left to right, first row: Harvey Daniels, James Sult, Jack Beach, Bill Wilson, Dalton Dove, Billy Bell. *Second row:* Martin Foltz, Julius Caporaletti, Eugene Spittle, Johnny Shelton, James Deeton, Buddy Eason, Paul O'Brien. *Third row:* Robert Thomas, Manager; Coach Doran, Noble Stewart, Robert Fones, Henry Grimm, Curtis Kirby, Douglas Feagens, Leon Chisolm, Assistant Coach Benner, Assistant Coach Zubko. *Fourth row*: Frank Webb, Hugh Sutherland, Harry Hinken, Carlin Allen, Howard Rivenburg, Charles Campbell, Marshall Funkhouser.



The George Washington High School football warriors wrote finis to the 1941 gridiron campaign last Thanksgiving Day by tying our traditional foe, Washington and Lee, 19-19. All of you who were there remember how close our boys came to winning the "Old Oaken Bucket" only to have victory snatched from our grasp during the final minutes of play. Last season the Blue and Gold won a total of five games, lost four and tied one; the most impressive record since 1938.

The Doran-Benner duo, as in years before, had to start from scratch at the opening of last season's campaign. Promises took shape, however, and on September 19, the Presidents journeyed to Fredericksburg and trounced James Monroe, 31-0.

The second week of the campaign of '41 saw the Blue and Gold on the short end of a 7-2 count accumulated by St. Johns of Washington. G. W. started October with a 15-0 Class "A" win over Lane High of Charlottesville.

The following week-end the locals trouped South for a game with Petersburg. Here they received their initial Class "A" defeat by losing 12-7.

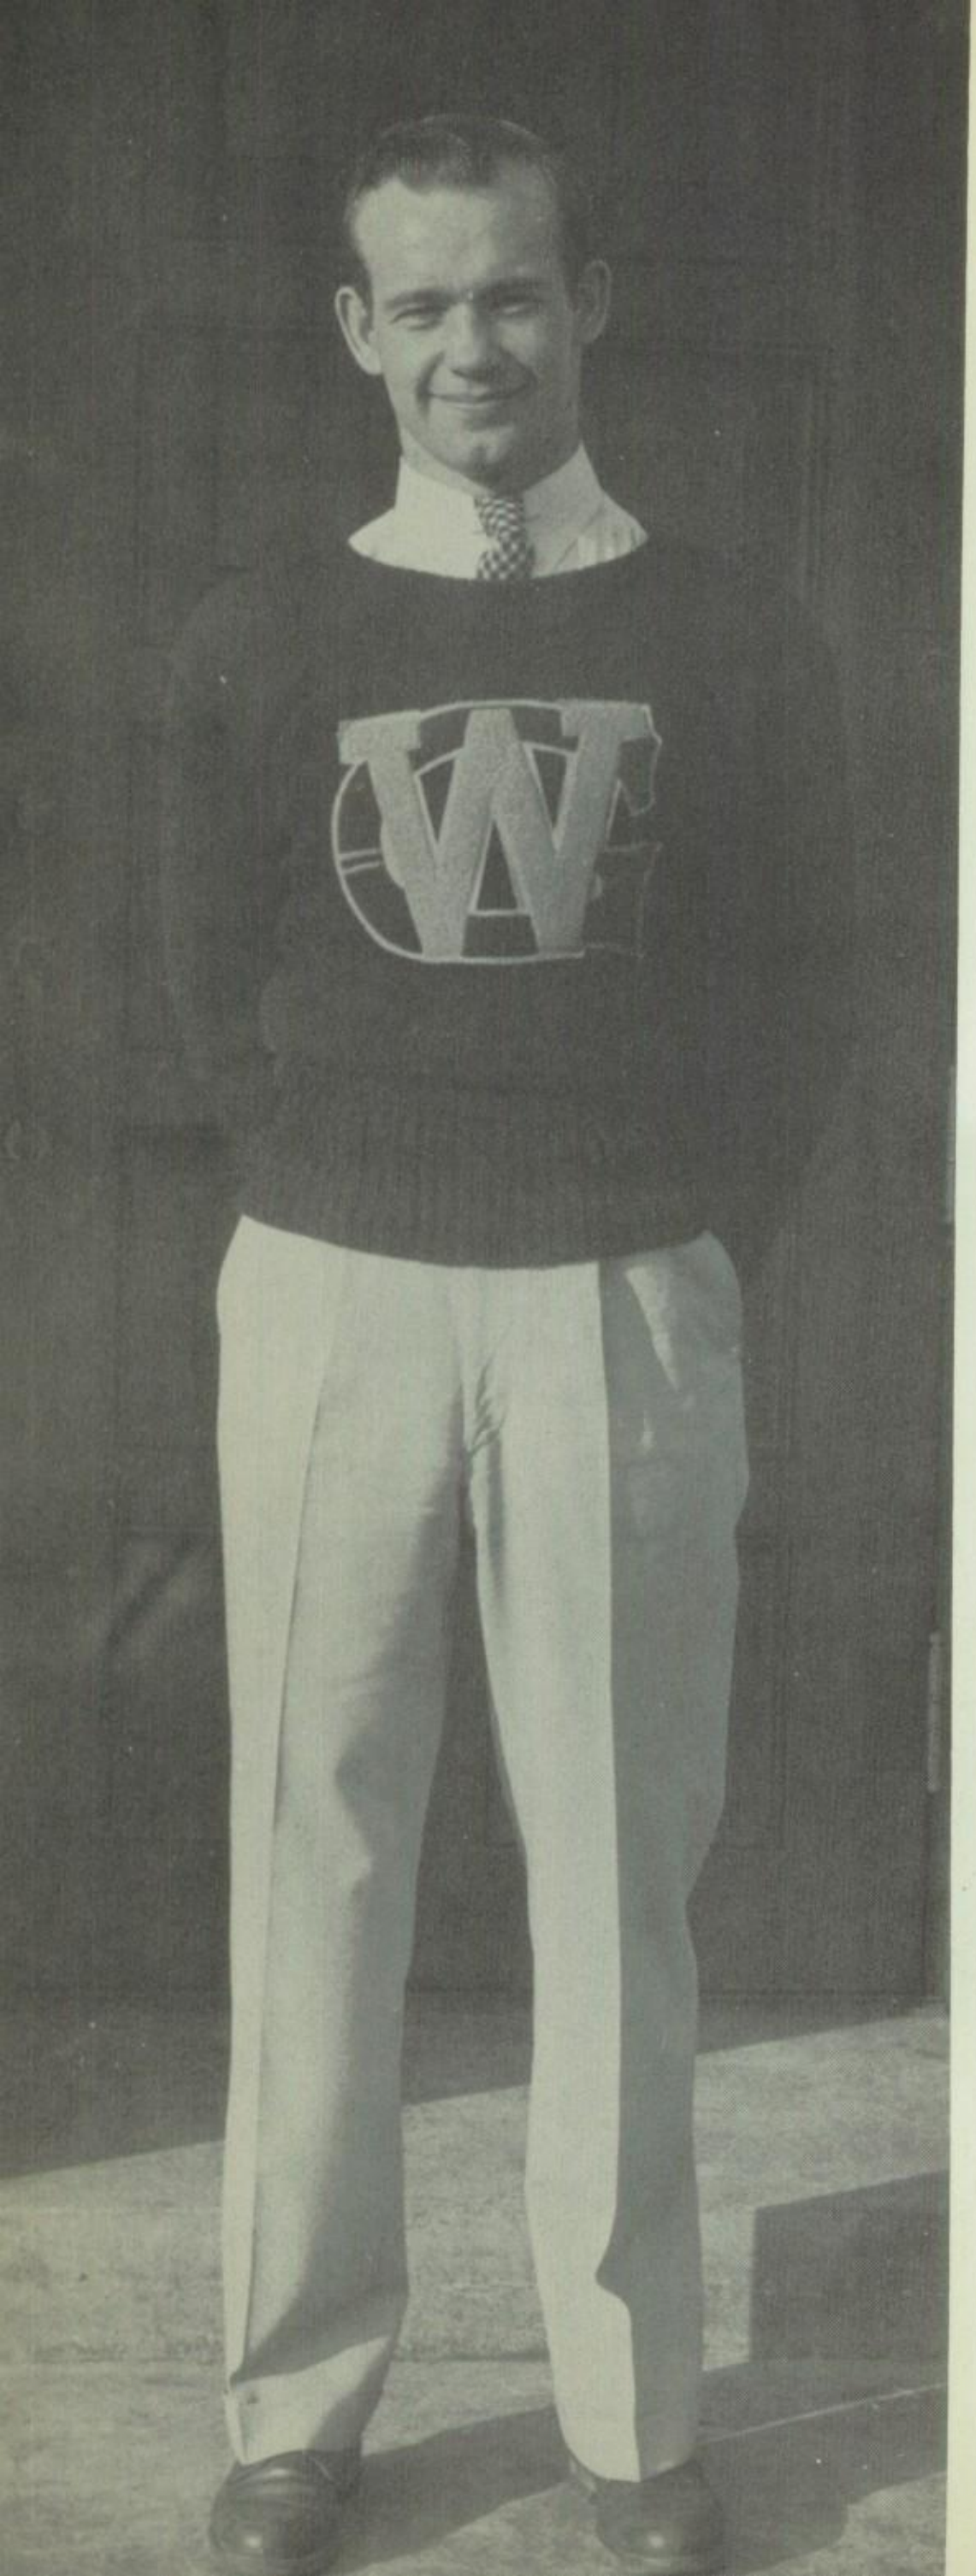
George Washington cut another nick on the win column by scoring over Maury of Norfolk, 12-6.

On October 24, the Presidents humbled Fairfax High, from across the county line, 25-0.

Lawrence High School, of Long Island, N. Y., journeyed South on October 31, to do fight with the locals and returned to their Northland with a 9-0 victory.

On November 11, G. W. again took to the road. This time they traveled to Andrew Lewis High School of Salem, and they trekked back home on the tail end of a 19-6 score.

COACHES
Coaches Benner, Doran, and Zubko, with John Shelton, captain.



George Washington wound up its current Class "A" schedule by losing to Hopewell High, 27-6.

On Turkey Day the Presidents battled the "Little Generals" of Washington and Lee for the supremacy of Northern Virginia, and the "Ole Oaken Bucket." W. & L., the high favorite of the day, was lucky to walk off with a 19-19 tie as the Blue and Gold said adieu to the 1941 schedule.

Out of five Class "A" conference games played, the locals won two, tied one, and dropped the remaining three.

The Blue and Gold scored a total of 123 points to their opponents' 99.

Our memory lingers with the deeds of 1941, but our hopes look forward to the brighter deeds of the years to come.

J. V. Football

To train and condition boys for the Varsity football squad is the purpose of the Junior Varsity. Our Junior Varsity this year consisted of approximately 5½ teams of 62 players. Due to the number of boys, we separated the Junior Varsity into A class and B class. The smaller, younger and least proficient boys were in the B class.

Usually we have had a 135-lb. squad or as it was commonly called, the Cake Team. As we were unable to schedule games, the Cake Team idea was abandoned.

The Schedule:

Varsity Basketball

The Presidents' basketball team enjoyed a fairly good season having won 15 games out of 24 for a percentage of .625. The Presidents entered the Central District Division of the Virginia Class A Conference and won second place. They played in the Star Metropolitan tournament, but lost to W. & L. in the opening round. The G. W. quintet also tied with W. & L. for the Northern Virginia title and the Big Three Title. Calvin Bailey, captain of the team, won a berth on the Virginia All-State Team.

This year we had two separate J. V. teams. Due to graduation and other difficulties, our original Varsity was whittled down to one man. After the first W. L. game our original J. V. team became the new varsity. When the news leaked out that our varsity had been eliminated down to the last man, several more boys came out for the team. Our second J. V. team was made up mostly of these. Altogether, the J. V. was undefeated.

We also participate in the shot, discus, javelin, broad jump and high jumps. The manager of the squad is Allen Claybrook.

Baseball

Up to date the G. W. H. S. baseball team is battling on even terms with their opponents. Victories have been won over Fairfax and Mt. Vernon. G. W. was defeated by Fairfax and Fredricksburg. The Tech game was called a tie game 4-4 in the 7th inning. The team lacks experience but they are expected to win a majority of their games. Many good players were lost through failure and graduation.

Noble Stewart, captain and hard-hitting pitcher, is doing his part behind the plate. Bobby Bregman, a utility catcher, has played in several games and obtained 3 hits in as many times to the plate. The pitching staff consists of Bill Butts, William Downey, Calvin Bailey, Charles Giddens, Jack Wheatley, and Russ Herrick. Downey is the only player left from last year's team, while Herrick has been drafted from the shortstop position. Other members of the team are as follows: Elliot Stutzman, Dick Hudlow, Robert Smith, Bobby Lunceford, Stanley Scherr, Curtis Kerby, Jack Beach, Robert Spittle, George Scott, Wallace Scrivener, and Harrison Fisher as manager.

Cadet Corps Makes Progress During Year

This year the George Washington High School Cadet Corps has taken another step forward.

We were organized in the fall by our new P. M. S. & T., Captain F. J. Cunningham, U. S. Marine Corps. Lieutenant Colonel Billy Payne headed the Corps until his graduation in February, and Cecil Spaulding commanded the Auxiliary Unit. One of the highlights of the first semester was the trip made to Chancellorsville, Virginia, by the officers to visit the Civil War battlefields.

On December 19, 1941, Colonel Kelland from the War Department inspected the Corps, which gave an excellent account of itself in the review staged in the Colonel's honor.

In February, 1942, Billy Deeton was promoted to the rank of Lieutenant Colonel, Cecil Spaulding being promoted to Major of the Auxiliary at the same time. Second Lieutenant J. L. Green, U. S. Army Infantry Reserve, succeeded Captain Cunningham as Professor of Military Science and Tactics.

The Cadets participated in the pageant given at the January Commencement, enacting the part of the soldiers of the first World War. This pageant portrayed the American way and spirit at various critical times in our history and was well received by a capacity audience. Boys and girls of the Cadet Corps ushered at Commencement too.

The climaxes of the year for the Corps were the annual Competitive Drills with Washington-Lee High School of Arlington, Virginia, May 15, 1942, and with Randolph-Macon Academy May 9, 1942.

We, the members of the Cadet Corps feel that we have the responsibility of setting an example of alert patriotism for our fellow students, and we shall endeavor to discharge this duty faithfully.

Cadet Rifle Team

Captain of Team,
CAPTAIN ROBERT BRAWNER

The Rifle Team has enjoyed one of its most active years. Trips were taken to the University of Maryland and St. John's College, and the team participated in a three-way match with V. P. I. and St. John's. We were hosts to St. John's and the First Baptist Team on our range, and the team thoroughly enjoyed the postal matches for Third Corps Area honors and the Hearst Trophy Match.

Improvements are being made in the range and when these are completed, the Cadet Corps will have one of the finest ranges in this area.

America needs men with a knowledge of marksmanship, and G. W. is certainly turning out her quota by way of our Rifle Team.
